

SEMINAR GOAL

To improve Indian Health Service physician's, nurse's, and pharmacist's competence in the management of cardiac arrest and other emergent cardiac problems.

SEMINAR OBJECTIVES

At the end of the workshop participants should be able to:

1. Demonstrate safe and appropriate technique in the management of the airway.
2. Identify selected dysrhythmias and outline appropriate therapeutic and pharmacologic management.
3. Be able to function as a team leader in a cardiac arrest situation.

ACCREDITATION

The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The IHS Clinical Support Center designates this continuing medical education for 7.5 hours of Category 1 credit toward the Physician's Recognition Award of the American Medical Association.

This Category 1 credit is accepted by the American Academy of Physician Assistants.

The Indian Health Service Clinical Support Center is approved as a provider of continuing education in nursing by the American Nurses' Credentialing Center Commission on Accreditation. This activity has been awarded 9.0 hours (which includes 2.4 hours of pharmacology).

The Indian Health Service Clinical Support Center is approved

by the American Council on Pharmaceutical Education as a provider of continuing pharmaceutical education. This activity has been awarded 7.5 contact hours (0.75 CEUs) under Universal Program Number 600-000-95-097-L01.
